

SARI community

*[**S**illon **A**lpin **R**éseau des **I**nformaticiens]
(within Grenoble and Chambéry area)*

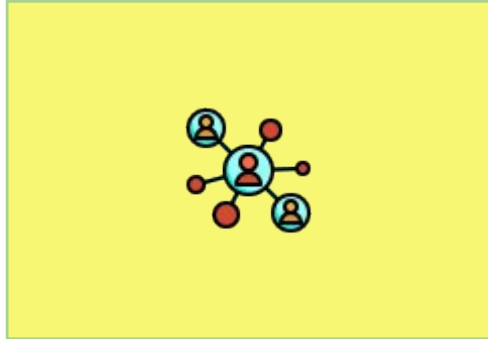

What is SARI ? <https://sari.cnrs.fr>

SARI is a professional local/regional community :

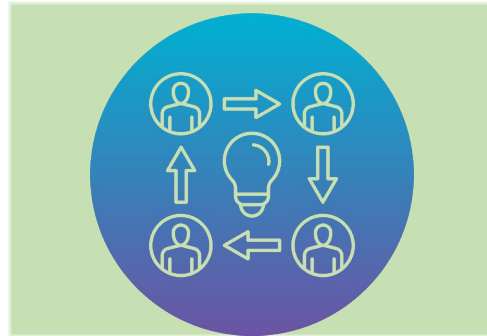

- Created in 2002
- To bring **together IT and Software** engineers/technicians in higher education and public research units (ESR)
 - In **Grenoble and Chambéry area** 
- For **discussion** and **sharing** dedicated to **IT/software** (issues, innovations, training, ...)

Objectives

Local Community focused
on **IT and Software**
Discussions
Mutual assistance

Best Practices **sharing**
Skills sharing

Collective Techno Watch

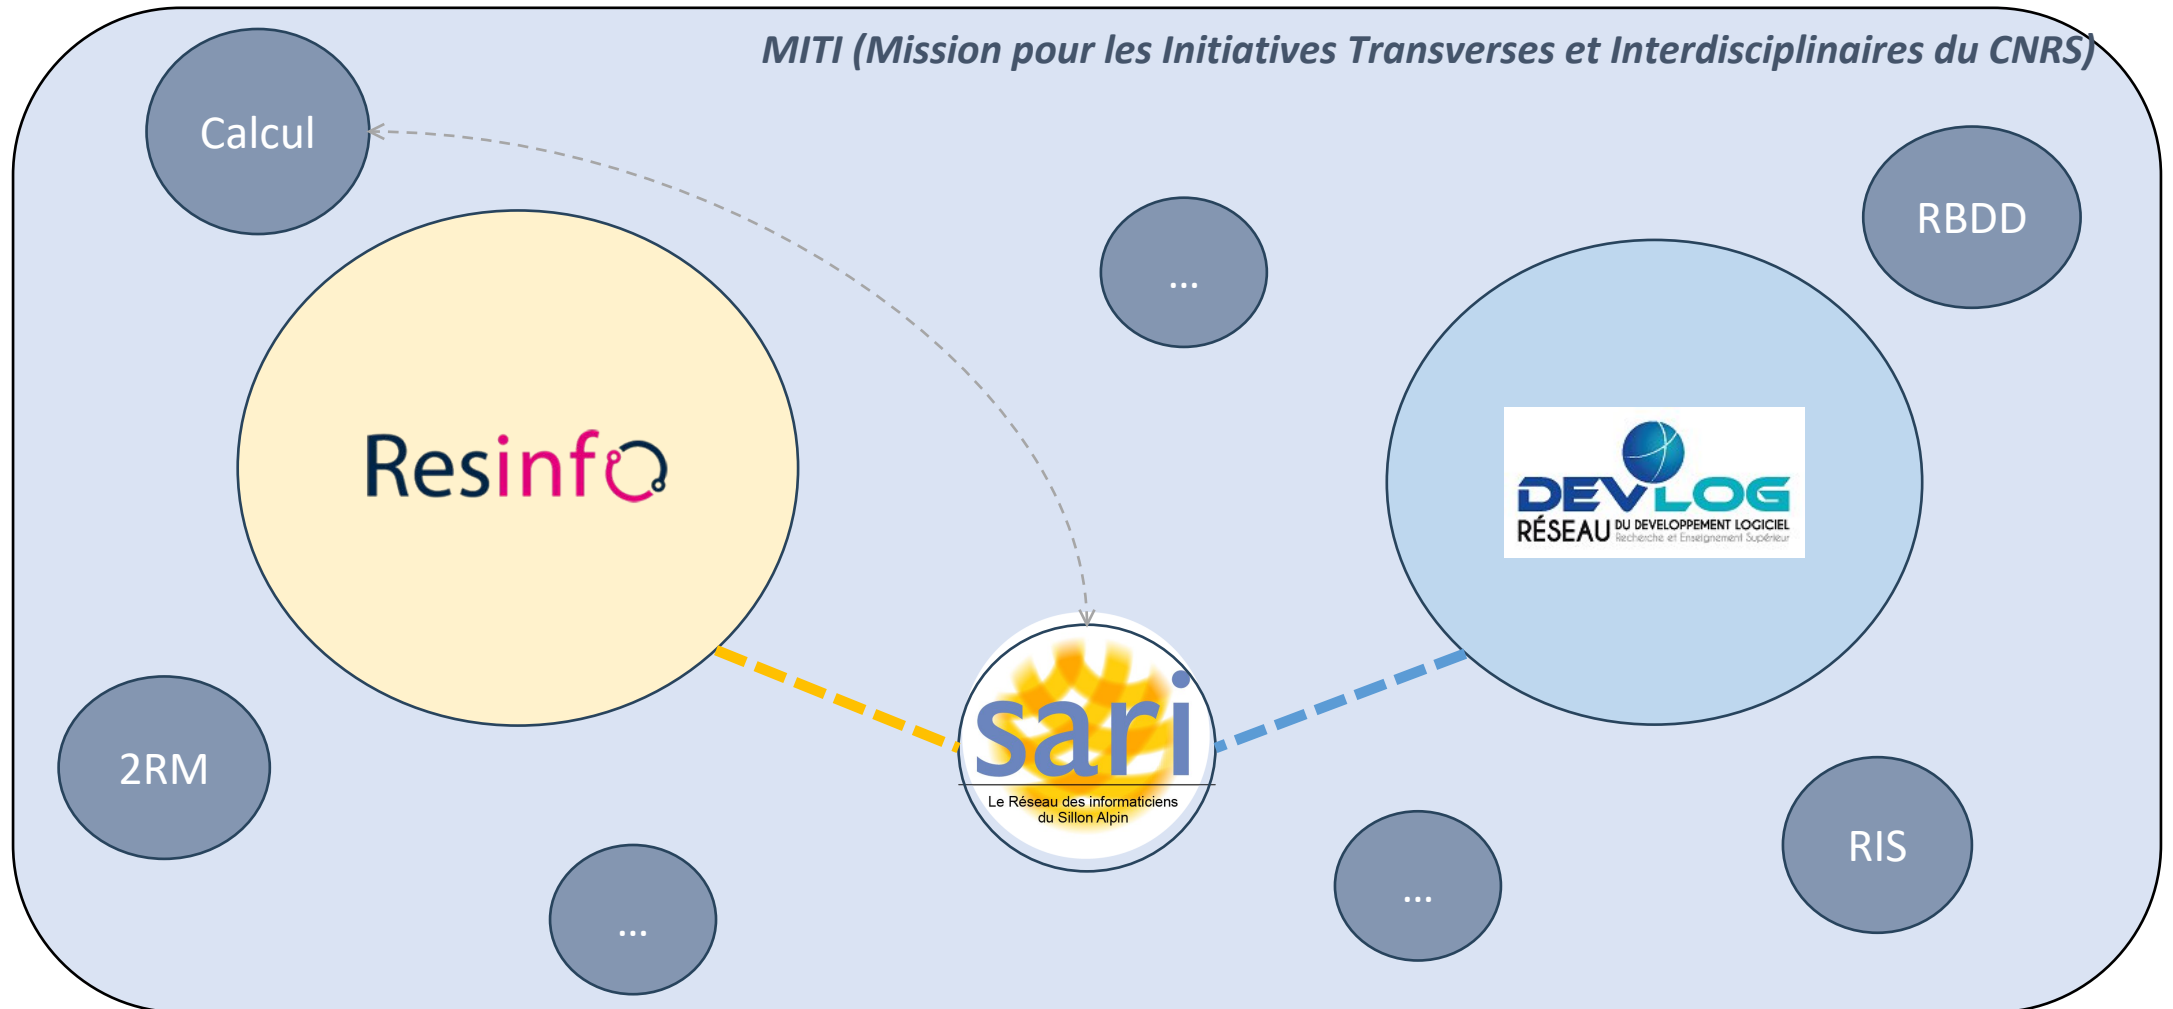

Help **Promote** IT/Software
Professions/Skills

⇒ Links with Open Source Concepts ...

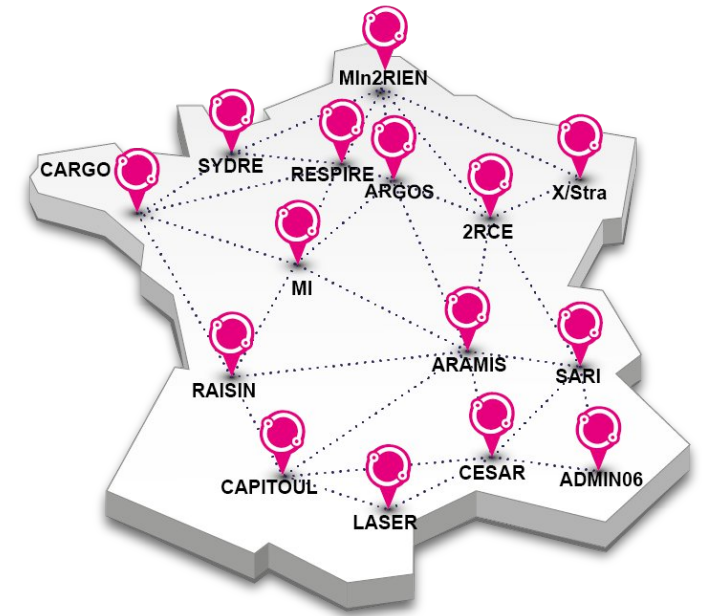

To Whom

- Mainly **IT / Software Engineers and Technicians** in Higher education and **Public Research units (ESR)**
 - From scientific and technological institutes (**EPST**)
 - From **University** laboratories or University IT services
 - From structures related to **national education system** services
- Located in Grenoble and Chambéry area 

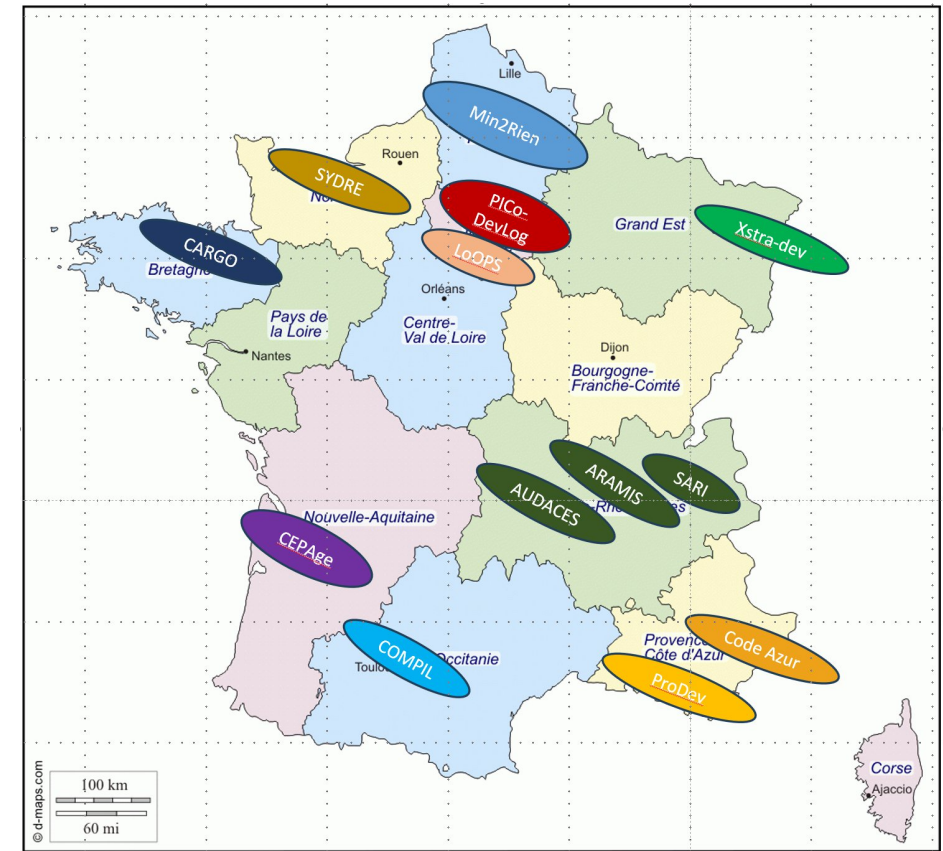

SARI community is not alone !

- Community focused on **Network and IT Systems**
 - At a national level
 - Access to shared resources
 - Training
 - Seminars, Workshops (online !)
 - Doc ...
 - Interaction with other local/regional communities
- Some key numbers
 - Since 2007
 - 15 local communities
 - 11 working groups
 - ~3000 members

- Community focused on **software development**
 - At a national level
 - Access to shared resources
 - Training
 - Seminars, Workshops
 - Interaction with other local/regional communities
 - Complementary with **Resinfo**
- Some key numbers
 - Since 2010
 - 13 local communities
 - ~2000 members

SARI Organization

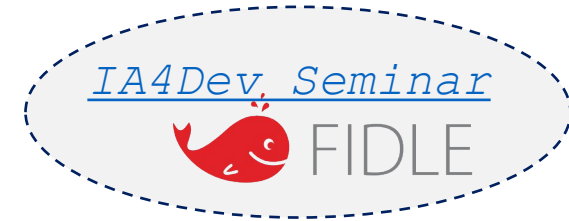

- A Technical Committee
 - 7 persons
 - ~4 meetings per year
 - All volunteers !
 - Always open to any newcomer !
 - Goal
 - Maintain Community
 - Organize Events (seminars, workshop, training, working groups, ...)
 - Participate to the annual meeting of **Resinfo** and **DevLog** technical committees
 - Budget
 - Mainly from **MITI** structure (CNRS) through **Resinfo** and **DevLog**
 - In 2025 : ~400€
 - Handled by Gricad secretary (thanks !)
 - Events/Meetings in rooms from IMAG building or other Grenoble units
 - For free !
- Céline Acary-Robert (GRICAD – UGA – LJK)
 - Soraya Arias (INRIA – Repr. *DevLog*)
 - Catherine Balleydier (Grenoble INP)
 - Dominique Fournier (CNRS – DR11)
 - Bernard Maire-Amiot (CNRS – Institut Néel – Repr. *Resinfo*)
 - Eric Maldonado (INRAE – Member of *copil DevLog*)
 - Jean-Luc Parouty (CNRS – SIMAP)

SARI Events

Globally since 2011

In 2025

Séminaire SARI

Spring: le réseau qui unifie les salles du datacentre grenoblois

29 septembre 2025

Bâtiment IMAG
Salle séminaire 1
14:00 - 15:00

INTERVENANTS
Les membres de l'équipe Spring - UGA

Table ronde
Se préparer à gérer une cyberattaque

Mardi 03 juin 2025
de 14h00 à 16h30

Grand Amphi
Bâtiment IMAG

INTERVENANTS
Groupe de travail PRA

LE RESEAU SARI VOUS PROPOSE

PIQUE-NIQUE À LA CANADIENNE

TU VIENS AVEC UN PLAT !
TU PARTAGES !
SARI OFFRE LE DESSERT !

MARDI **03** RDC BÂTIMENT IMAG
À PARTIR DE 12H00

VEZ ECHANGER ET PARTAGEZ !

PROFITEZ-EN POUR RESTER À LA TABLE RONDE "SE PRÉPARER À UNE CYBER-ATTAQUE" À 14H

CONTACT: ADMIN@LISTES.GRENOBLE-INP.FR

GESTION DE LOGS

26 mai 2025

Bâtiment IMAG
Salle séminaire 1
14:00 - 16:00

Séminaire SARI
PROGRAMME

- Alertes de sécurité par les logs
- Loki, Opensearch, Sentry pour la centralisation de logs dans une approche devops

INTERVENANTS
Dominique Fournier - CNRS
Jonathan Schaeffer - GSUG

How to participate ?

- <https://sari.cnrs.fr>
- Keep informed
 - Subscribe to sari@services.cnrs.fr
 - ~240 members (2025/09/22)*
- Exchange
 - Come to SARI events !
 - Use mailing-list !
- Contribute
 - Tech feedback, presentations (short formats are ok !), ...

*Check Annex for member distribution

SARI and OSPO UGA

- SARI members working already on Open Source systems or software
 - Share with OSPO UGA
 - Skills, Best Practice
 - Discussion on Open Source ...
 - Enlarge community with OSPO UGA
 - Mutual assistance
 - Technology watch
- ⇒ Common events organization
- ⇒ Event promotion

Open Source Related Ideas...
